

# What Fair Looks Like In Our Family

Every person in a family has different needs.  
Fair doesn't mean everyone gets the same thing.  
Fair means everyone gets what helps them grow,  
feel safe, and feel loved.  
This worksheet helps us understand what each  
person needs so we can support each other.

## What fair means in our family:

- ☐ Fair means everyone gets what they need.
- ☐ Fair doesn't always look the same.
- ☐ Fair is about support, not keeping score.
- ☐ We all matter in our own way.
