

Hi  
I'm Yara!

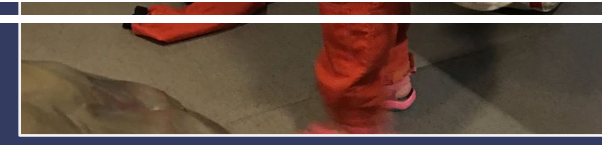

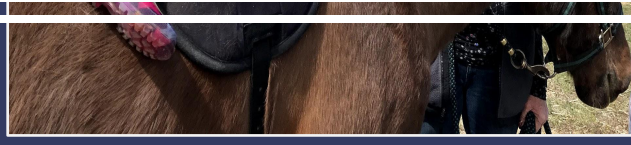

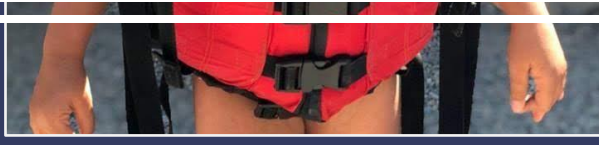

My Family

A little bit about me

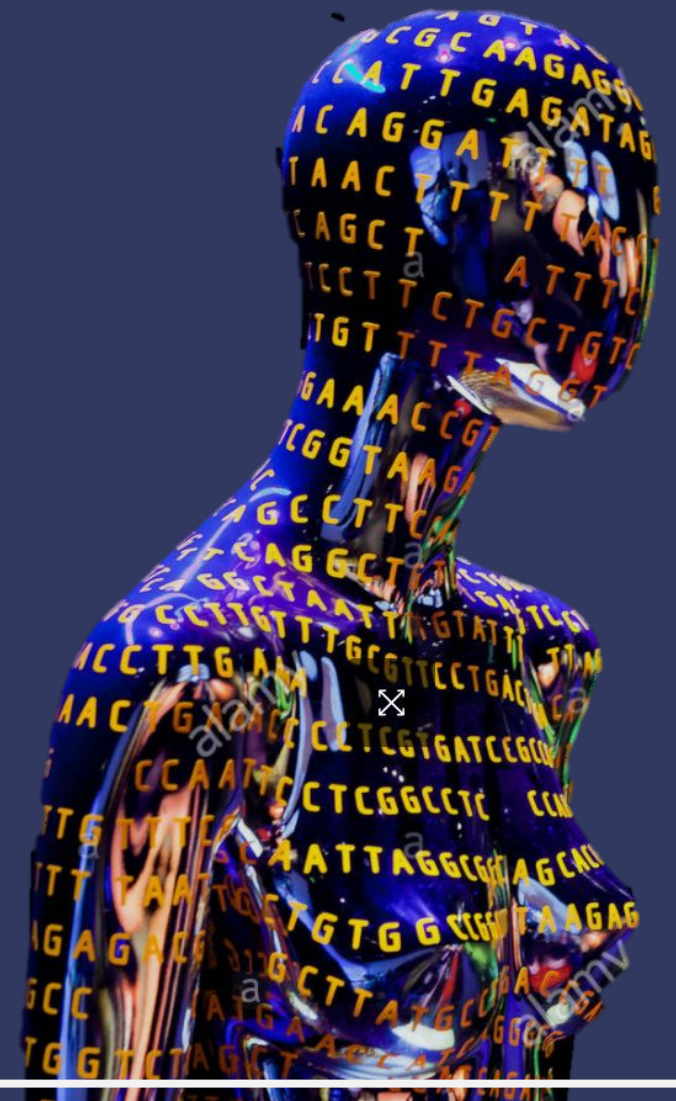

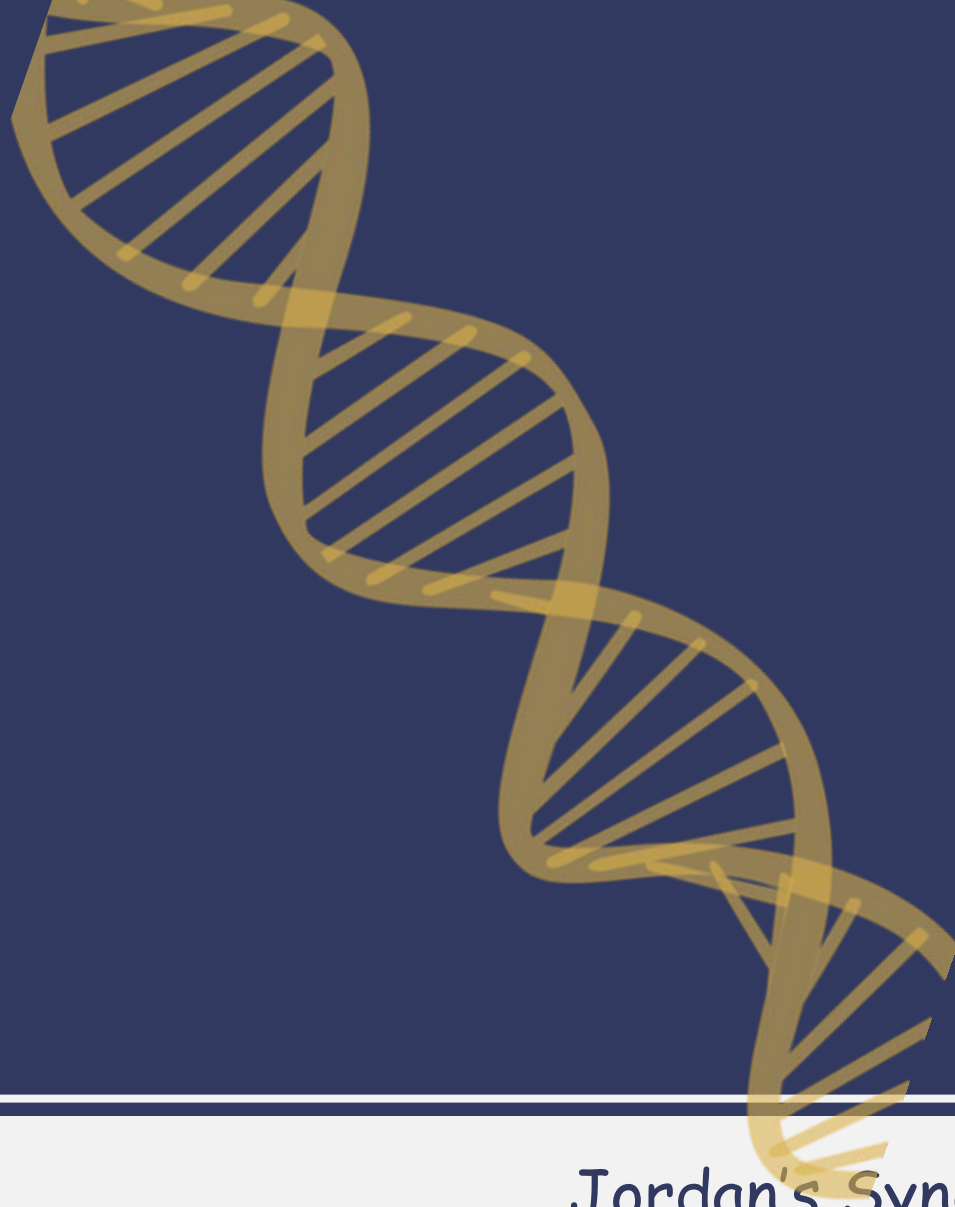

A unique fact about me is that I have **Jordan's Syndrome!**

Jordan's Syndrome is 1 typo in my DNA of three billion letters!

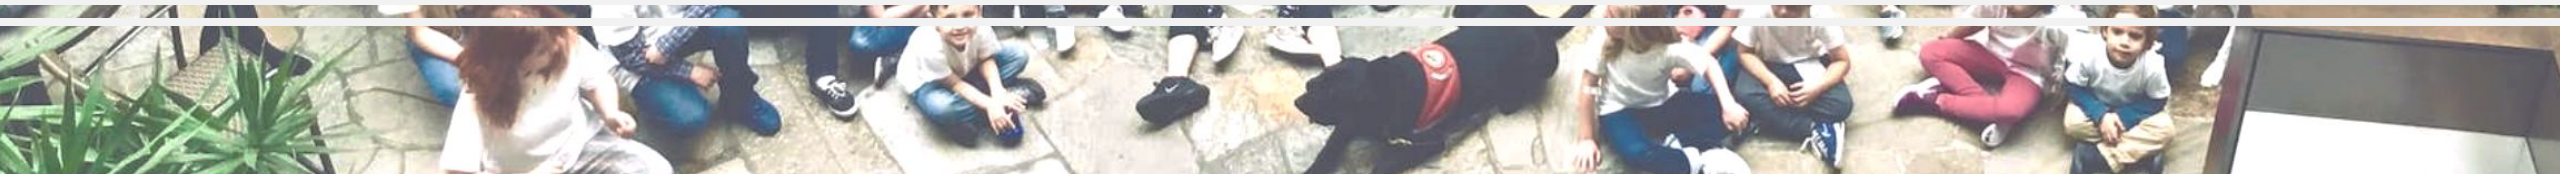

# Jordan's Guardian Angels

*Together, we can change the world.*

I have friends around the world living with the syndrome.

MY body had a lot to learn!

I have to work harder at most things, but I never give up!

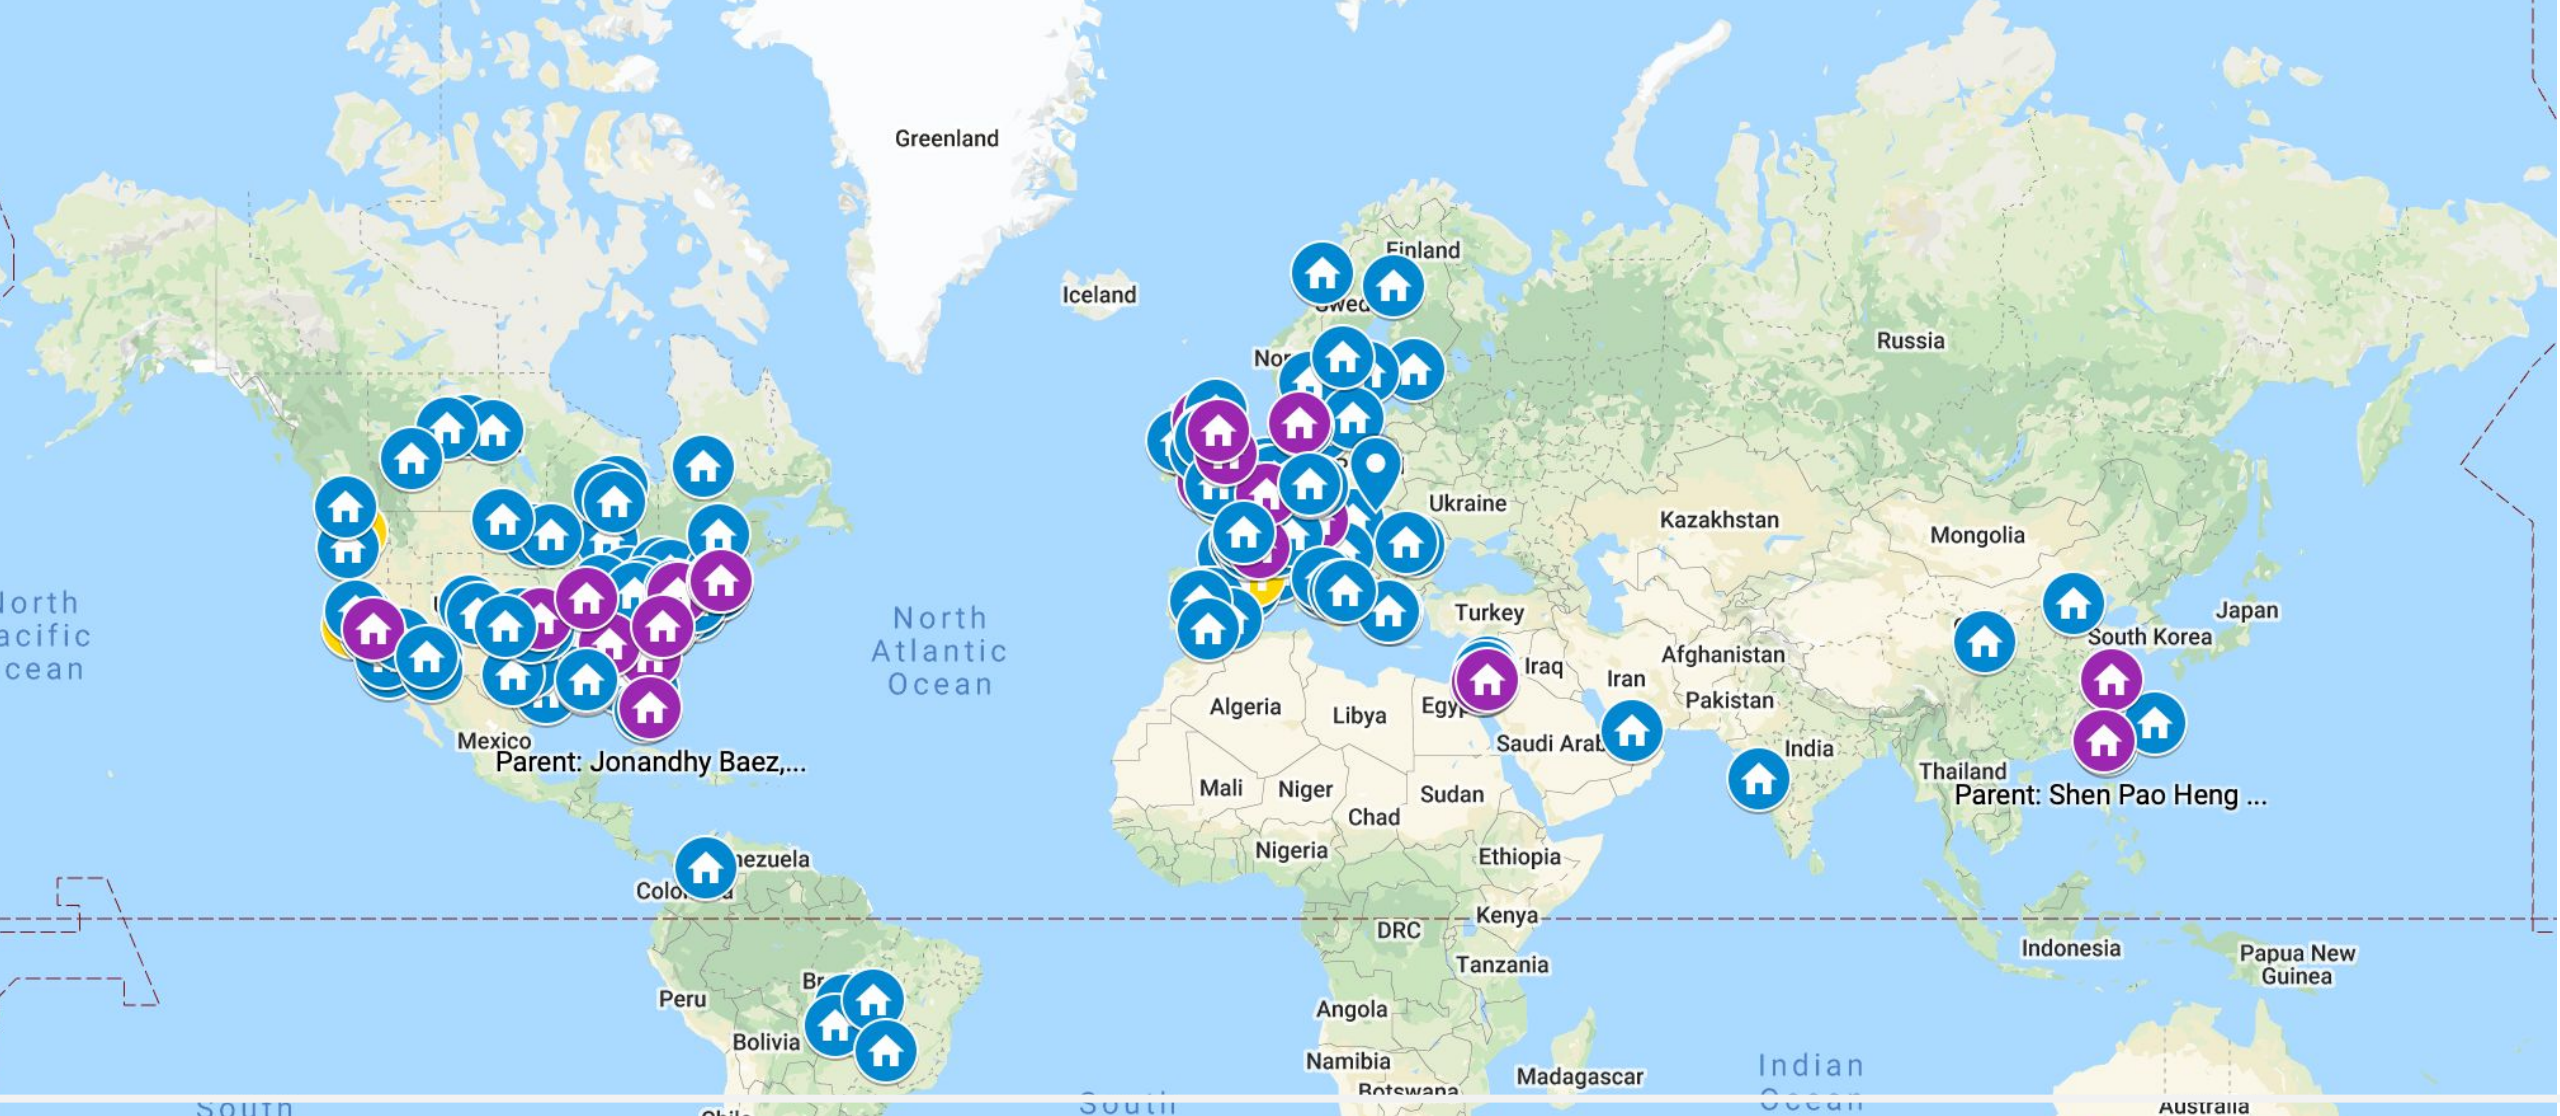

I am working with a team of scientists to help solve Jordan's Syndrome!

So one day all my friends like me don't have to always work so hard!
